Applicant Portal Overview

The AmpliFund *Applicant Portal* allows organizations to submit applications to a funding opportunity. This guide for applicant users explains how to navigate the Applicant Portal, complete funder application forms, and add budget and performance plans during the application process.

Applicants may have received an opportunity-specific link from the funder, or a link to all of the funder's open opportunities.

Getting Started on the Applicant Portal

Here are the steps applicant users should take to set up their Applicant Portal account before starting their opportunity application. Access to the Applicant Portal requires registration on the [Illinois GATA Grantee Portal](#) and an [Illinois.gov public account](#).

How To Create an Account on the Applicant Portal

The first time you access an opportunity through the Applicant Portal, you will be prompted to create a login and password. Alternatively, users may have received an email invitation from another user in their organization. Once you register, you will be able to access the opportunity.

1. Go to <https://il.ampifund.com>. You will be redirected to the Illinois.gov authentication portal page.
2. On the Illinois.gov portal page, click **Public Account**.

3. Click **Create a new account**.

4. Add your **account information** and click **Register**.
5. Click the **link** in the confirmation email.
6. Go to <https://grants.illinois.gov/portal>.

Note

The email link will only be valid for 24 hours.

- Click **Sign In Here**.

- Log in with your newly created **user name** and **password**.
- On the *Usage Terms and Conditions* page, click **Accept**.
- On the *Associate Grantee* page, add your organization's **DUNS number** and click **Submit**.
- Verify your organization and click **Yes**.
- Your request to join your organization must be approved by administrator users before continuing. Once approved, click the first **Click Here** button.

- To view the applicant portal, go to <https://il.amplifund.com>.

How To Log In to the Applicant Portal

Once you have registered on the Applicant Portal, use your email and password to log in to the Applicant Portal to access your saved, started, and submitted applications.

- Go to <https://il.ampifund.com>. You will be redirected to the Illinois.gov authentication portal page.
- On the Illinois.gov portal page, click **Public Account**.

- Enter your **user name** and **password**.

4. Click **Sign In**.

How To Log Out of the Applicant Portal

1. Click your user **email address** on the top-right corner of any page.

2. In the dropdown menu, select **Log Out**.

Managing and Applying to Opportunities

Once you have registered in the Applicant Portal, you can save opportunities, access the funder's forms and templates, and submit the application to the funder.

How To Save an Opportunity

Opportunities can be saved before submitting. Saved opportunities can be accessed by clicking the funder's logo in the top-left corner of the Applicant Portal.

1. Use the **opportunity link** from the funder.
2. On the opportunity details page, click **Save**.

How To View the Applications List

Saved and submitted applications can be viewed on the Applications list.

1. Click the **logo** in the top-left corner of any page.

2. Click **Applications**.

How To Delete an Application

Once deleted, applications will no longer be accessible.

Prerequisite: Must be an Administrator user and application cannot be submitted.

1. Click the **logo** in the top-left corner of any page.

2. Click **Applications**.

Performance Plan

Depending on the opportunity settings, there may be a Performance Plan page. Funders may also include defined programmatic goals for applicants to meet through grant activities. If goals have been predefined, they will appear in the goal type dropdown.

How To Add a Performance Goal

1. Open the **opportunity**.
2. Click **Performance Plan**.

3. Click **+ Add Goal**.

Proposed Performance Plan

4. In the pop-up window, select a **Goal Type**. The available goal types may vary depending on the opportunity settings.
 - **Milestone:** Track completion of grant milestones (i.e. Will you complete X?)
 - **Narrative:** Capture a narrative response (i.e. How will you complete X?)
 - **Numeric:** Track discrete numbers to achieve (i.e. Will you achieve X number?)
 - **Percent Achieved:** Track a percent to achieve (i.e. Will you achieve X%?)
 - **Percent Change:** Track a percent increase or decrease (i.e. Will you achieve X% increase?)
 - **Reimbursement:** Track discrete units to achieve with a dollar rate per unit (i.e. Will you achieve X units with a reimbursement rate of \$Y/unit?)
5. Add a goal **Name**.
6. Add the **goal information**. The fields will vary depending on the goal type.
7. Click **Save**.

How To Add a **Milestone** Goal

Milestone goals are the most basic goal type. They allow for tracking progress on the completion of a "pass or fail" goal. An example of a

milestone goal is “Create and send Q1 Staff Survey.”

1. Click **+ Add Item**.
2. In the pop-up window, select **Milestone** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Description** (optional).
5. Click **Save**.

How To Add a **Narrative** Goal

Narrative goals are question and answer goals. Responsible staff members may answer the question posed by the goal. An example of a narrative goal is “How successful was the grant-related activity this period?”

1. Click **+ Add Item**.
2. In the pop-up window, select **Narrative** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Narrative**.
5. Click **Save**.

How To Add a **Numeric** Goal

Numeric goals are a discrete number to achieve. As units of the goal are completed, staff may record units completed. An example of a numeric goal is “number of program participants” with a goal target of 50.

1. Click **+ Add Item**.
2. In the pop-up window, select **Numeric** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the goal **Number To Be Achieved** (optional).
5. Add the goal **Description** (optional).
6. Click **Save**.

How To Add a **Percent Achieved** Goal

Percent achieved goals are goals to reach a desired percent. When tracking progress against a percent achieved goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent achieved goal is "Volunteer Retention Rate" with a goal target of 70%.

1. Click **+ Add Item**.
2. In the pop-up window, select **Percent Achieved** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the **Desired Percentage** in decimal format (optional).
5. Add the goal **Description** (optional).
6. Click **Save**.

How To Add a **Percent Change** Goal

Percent change goals are goals to track a percent increase or decrease. Percent change goals are defined with a starting percent and a desired percent. When tracking progress against a percent change goal, staff may capture Total Possible and Total Achieved percentages. An example of a percent change goal is "Decrease in Student Absences" with a starting

absentee rate of 10%, and a goal absentee rate of 3%.

1. Click **+ Add Item**.
2. In the pop-up window, select **Percent Change** from the *Goal Type* dropdown.

3. Add a goal **Name**.
4. Add the **Desired Percentage** in decimal format.
5. Add the **Current Percentage** in decimal format.
6. Add the goal **Description** (optional).
7. Click **Save**.

How To Add a **Reimbursement** Goal

Reimbursement goals are goals with a discrete unit to achieve, and a dollar rate associated per unit. When tracking progress against a reimbursement goal, staff may enter Units Achieved. An optional checkbox field appears on each reimbursement goal type labeled "Add as budget item." If the goal is added as a budget item, the reimbursement goal will appear as part of the grant's expense budget. If a reimbursement goal is shown on the grant budget, any updates made to the goal through the performance plan will automatically update the budget. An example of a Reimbursement goal is "Number of Patient Screenings" with target/maximum units of 100, and a reimbursement rate per unit of \$22. Reimbursement goals are used to support pay for performance grants.

1. Click **+ Add Item**.
2. In the pop-up window, select **Reimbursement** from the *Goal Type* dropdown.
